RESOURCES
- Acceptable Use of Information and Communications Technology
- UNSW Occupational Health & Safety Policy.
- UNSW Privacy Management Plan.
- The Student Misconduct Policy.
- The Student Code of Conduct.

Co-operate fully with any investigation conducted locally within the College or at the UNSW Integrity office.

The UNSW Student Misconduct Procedure will guide the investigation process. Advice on what may constitute a complaint of a serious nature can be sought from the Student Code of Conduct.
Upon receipt of a serious matter the Director of Integrity may refer the matter to be investigated as serious misconduct or refer the matter to an external body (e.g. the Police).

A matter is considered serious where:

a. There is reason to believe that there is a significant risk to the University and its staff or students
b. A serious criminal offence may have been committed;
c. There are a number of allegations of a similar nature received against a respondent; or
d. The possible penalty for the conduct, if proven, is suspension or exclusion.

Examples of serious misconduct include sexual harassment, sexual misconduct, assaults, bullying, harassment and vilification. Further explanation of these terms is set out below.

Harassment
Harassment is behaviour that:

- Another person does not want and does not return,
- Offends, humiliates or intimidates the other person and that, in the circumstances, a reasonable person should have expected would offend, humiliate or intimidate them, and
- Targets them for less favourable treatment because of their (or their friends’ or relatives’) sex, race, disability, sexuality, age, pregnancy, etc.
- Harassment may occur even when there was no intention of causing offence.

Sexual harassment can include such behaviour as physical contact (patting, touching), ‘leering’, repeatedly asking for dates (especially after prior refusal) and asking for sexual favours. However, it may also include sexually related behaviour that makes the college or study environment uncomfortable such as displays of sexual or sexist materials, emails or pictures, sexist or sexual jokes or comments that stereotype people on the basis of their sex or sexual preference.

Verbal racist or homophobic comments, derogatory name calling, offensive labelling of all people who belong to the same group, offensive graffiti or written comments, distributing offensive material, making threats against particular people or groups because of their race, colour or sexuality.

Vilification is generally any act that happens publicly as opposed to privately, and that could incite (encourage, urge or stir up) others to hate, have serious contempt for, or have severe ridicule of you or a group of people, because of race, colour, nationality, descent, ethnic, religious or national origin, homosexuality (lesbian or gay), HIV or AIDS status, intersex or transgender status. This includes vilification because you are thought to be lesbian, gay, intersex or transgender, or to have HIV or AIDS.

Bullying is actual hurtful behaviour directed by more powerful individuals or groups against those who are less powerful. It is not the same thing as fighting or quarrelling between people of about the same strength. This behavior often provides the bully or bullies with a sense of enjoyment and is typically repeated. Such conduct may be perceived as oppressive and is never justified.

Victimisation includes any unfavourable treatment of a person as a consequence of their involvement in a grievance under these Procedures. Unfavourable treatment could include such things as adverse changes to the living or study environment, denial of access to resources, learning or research opportunities or ostracism.

Complaints to the Police
If you believe you are the victim of a crime you may prefer to directly inform the Police.

The procedures apply to residents and staff of all UNSW Apartments. These procedures apply to events and activities associated with UNSW Apartments. Where a complaint involves an event outside of the UNSW Apartments, but is associated with the University, the appropriate UNSW Policy will apply.

Less serious matters to be handled locally with internal procedure that should be followed for less serious complaints and matters.

Less serious matters includes infringements of the Alcohol Policy, noise, laundry, cleaning or common area infringements. The purpose of these procedures is to provide a clear and transparent process that is:

- Fair to all parties involved
- Consistent and timely
- Ensures procedural fairness
- To the extent possible or necessary, confidential
- Prevent victimisation of any parties involved with the complaint.

UNSW Accommodation may:

- Refer a minor breach to the UNSW Disciplinary Committee
- Examine the evidence and interview interested parties
- Impose a range of penalties, including written warning/reprimand, community service, fine, ‘show cause’ notification, suspension, compulsory relocation to other accommodation, expulsion or non-admission to UNSW Apartments. (Any advance payments will be forfeited if a resident is expelled from UNSW Apartments at the discretion of UNSW Accommodation)
- Particularly in the case of suspension or expulsion, seek appropriate advice on the matter
- Require the immediate exclusion of a resident from UNSW Apartments, during which time appropriate advice may be sought

Appeals
You may at any time within 20 days of being notified of the decision, appeal in writing to UNSW Accommodation Office.

UNSW Accommodation will:

- Review the evidence and if appropriate, consider any new material or conduct interviews;
- Decide whether to accept or reject your appeal (giving reasons)
- Refer the matter back to the decision maker (or if necessary another decision maker) for further or fresh consideration
- Following deliberations, inform you and other parties involved of their decision.

Following the conclusion of the appeal there are no further internal or University avenues of appeal.
Resident Obligations

Please read the following information as it pertains to your residency in UNSW Colleges. This Handbook contains important information about UNSW Colleges. It should be read in conjunction with your Licence Agreement for a full understanding of our expectations and your residency obligations. Please contact your College Dean or UNSW Student Accommodation Office if you have any queries.

You may however, wish to contact external bodies such as:

- Independent Commission against Corruption
- NSW Ombudsman
- NSW Police

Noise

From 11pm to 7am it’s quiet time and there should be no disruptions or disturbances. During study vacation and exam time, quiet hours may be imposed from 10pm.

Please be respectful of your neighbours and fellow residents and try not to disturb the peaceful enjoyment of others.

If a resident is making too much noise late at night or early in the morning, in the first instance, you can try knocking on their door and politely asking them to keep it down. You’ll probably find they weren’t aware of how loud they were!

If the noise persists, you can call Security on 9385 6666 and they will address the matter. You should also notify the Student Accommodation office in writing as soon as possible. Make sure you include the following information:

- Date and time/s
- Unit the noise was coming from and name/s of the people involved
- Type of noise
- What action you took

Smoking

UNSW is a campus wide smoke-free campus and as such, smoking or use of vaporisers is not allowed within UNSW Apartments – this includes rooms, balconies, the roof terrace, other indoor and outdoor common areas, the front steps and adjoining road ways and the grounds of the Hall.

You must never cover smoke detectors in rooms or tamper with smoke detectors, interfere with or obstruct any smoke alarm or any other fire protection equipment within your room, or any of the common areas in UNSW Apartments or anywhere on UNSW campus.

Security

Always carry your access card or key with you at all times, lock your doors and windows when you leave and be mindful of letting strangers into your apartment complex.

Accessing Your Room

UNSW Accommodation management strive to respect your privacy and provide you with quiet possession of your room. Staff will make every effort to give you forewarning if entry to your room is required for maintenance, repairs or some other matter. Staff hold a master access card for use in case of emergencies.

Residents are responsible for securing their room and possessions and must organise any insurance in that regard. UNSW is not responsible for lost, stolen or damaged property.

Lockouts

When you check-in to your apartment, you’ll be issued with a key or security access card. It’s your responsibility to carry your key with you at all times and to keep it secure. If you lose your key, you’re jeopardising the safety and security of not only yourself, but others who live in your apartment complex.

If you lose or misplace your key, you must report this immediately to the Student Accommodation office and a fee will be charged.

If you accidentally lock yourself out during office hours, you can borrow a spare key from the Student Accommodation office for a limited period of time to access your apartment and retrieve your key (if it’s locked inside).

If you’re locked out of office hours, contact Security on 9385 6666, however a fee will be charged.

This is why it is very important that all lost or misplaced cards are reported immediately. If your card is lost or stolen contact FM Assist on 9385 5111 and the Library on 9385 2650 to void your card.

Please note:

- there is a $25.00 replacement fee for keys
- there is a $150.00-$125.00 for replacement locks

Do not give or loan your ID card to others to use. If security staff identifies or suspects the misuse of a student ID card, the card will be confiscated, and a report will be sent to the Student Conduct Officer. A fine of $25 will be payable for the return of the card to the student.

Lost, Stolen or Damaged Cards or Keys

For security purposes, when a key is lost, the lock will be replaced. This prevents a person who comes into possession of a lost key subsequently gaining access. You’ll be charged a fee for a replacement lock. When an ID card or room swipe card is lost or damaged, the replacement charge will be $25 (inc. GST). These charges are payable immediately.

Perimeter Security

There’s an intercom system that guests may use to contact residents in their apartments who can then let them into the building.

Disciplinary action will be imposed for residents or their guests responsible for creating breaches in the perimeter security. This includes letting in a stranger/unaccompanied guest, leaving a door ajar or propped open or giving your identity/access card to someone else.

Allowing strangers into the secured residential area poses a significant risk to those who reside in the building, so it’s advisable to not give access to anyone who may be waiting outside the building.

You must keep your identity/access card on you at all times and ensure that your door is locked when you are not in your room. Complying with these basic measures is paramount for safety and security – of each resident, your belongings and for the general UNSW Apartments community.

Basic rules

Quiet time
Quiet time is a noise curfew that runs from 11pm - 7am daily. During these hours there should be no noise. Students that break this curfew could face financial penalties or community service.

Please be respectful of this to make sure that anyone who wants to sleep or study is able to. This ensures that the College is a nice place for everyone to live. If you hear noise after 11pm, please try and discuss the issue directly with the resident(s) involved in a calm respectful way.

If the issue persists, please call the duty tutor and ask for their help.

No smoking
UNSW is a smoke free campus which means that all parts of UNSW Apartments are strictly no smoking zones. This includes shared and private balconies, the fire stairwells and toilets.

If you wish to smoke, you may do so across the road on High Street or in smoking areas off campus. Penalties will apply if you’re caught smoking in UNSW Apartments or on campus at UNSW.

Shared space
For shared communal places and facilities, make sure you clean up after yourself in the kitchens, common rooms and study areas. Residents need to ensure that they do not leave old food out in any areas. Food left out in the kitchens and common rooms will be removed by cleaners or UNSW Accommodation Staff.

Can my friend stay over?
Guests are welcome in High Street and University Terraces, however, it’s your responsibility to look after your guests. If you want your guest to stay overnight you’ll need to complete the Guest Form and send to UNSW Accommodation.

Responsible alcohol policy
If you are causing a disturbance for fellow residents by drinking, you will be asked to move on by UNSW Security staff, if not by fellow students.

If so, please be compliant with that request and be considerate to the whole community. Residents who display anti-social behaviour or frequently disturb or disrupt other residents will be subject to penalties.

Falling ill
If you are feeling ill, the Medical Health & Services is located on the Ground Floor, East Quadrangle Building. There are both male and female doctors as well as a dentist and appointments can be made by phone or email. Emergency appointments are also available and all visits are bulk billed for domestic UNSW students with a Medicare card. International students with OSHC Worldcare or Medibank OSHC insurance are also bulk billed.
Resident Obligations

Please read the following information as it pertains to your residency in UNSW Apartments. This Handbook contains important information about UNSW Apartments. It should be read in conjunction with your Licence Agreement for a full understanding of our expectations and your residency obligations. Please contact UNSW Student Accommodation Office if you have any queries.

In the unfortunate circumstance that you fall sick and vomit, it’s your responsibility to clean up your own mess. If you don’t, then you’ll be charged for a biohazard crew to come in and clean it up. If you have become sick as a result of excessive alcohol consumption, you may also be liable for penalty.

Help
There are people willing to help you with anything at any time. Whether it’s a friend next door or if you’re feeling a little bit home sick, there are professionals at CAPS or UNSW Accommodation staff to assist. Don’t ever feel like you have to deal with stuff alone.
